

# Fundraising At Your Fingertips

Take your Fundraising Center on the go with the Take Steps mobile app! Personalize your page, link your fundraiser to Facebook, ask for donations, and more. Enable notifications to get updates (you can update this in your device settings at any time).

## App Guide:

Manage your preferences including enabling social media channels, get help, and log out.

See your fundraising milestones, connect your fundraiser to Facebook, and more. *Team Captains only: Check your team's stats.*

Personalize your individual fundraising page. Upload or take a photo & use the filter feature!

Send Messages

Ask for donations. Use the templates and send SMS, email, or WhatsApp messages OR post to Facebook, LinkedIn, Snapchat, or Twitter. *Team Captains only: Recruit teammates*

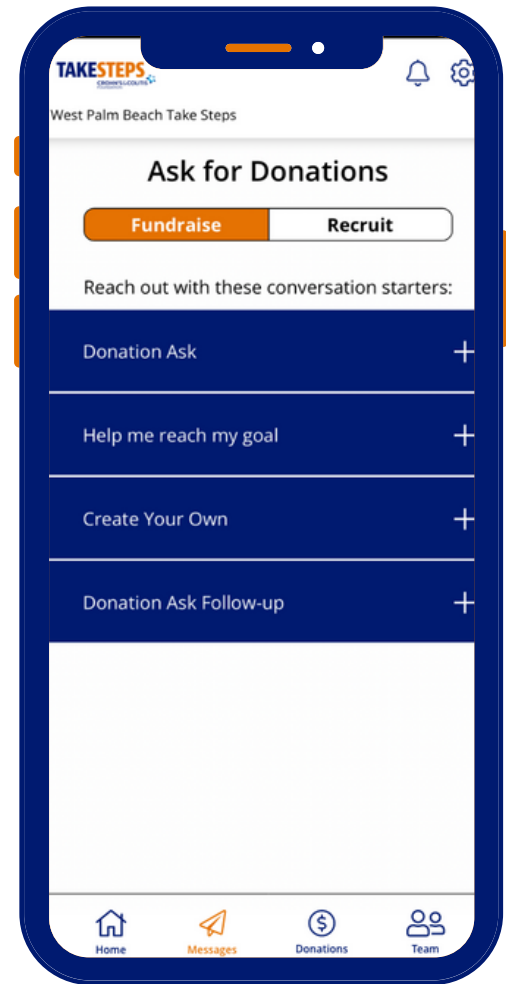

Donations

Track donations made to your page. *Team Captains only: Track donations to your team's page.*

Team

Give cheers to your teammates! *Team Captains Only: Personalize your team page, Edit your team name, contact your team, and view your team's progress.*

**Participants who download the app raise 3 times more!**

Available on Apple and Android devices.  
Search "Take Steps" in the App Store or Google Play Store
